City of Bedford, Ohio

New procedure for obtaining a Municipal Income Tax Return Form

Due date for filing your 2014 Municipal Income Tax Return is April 15, 2015

The City of Bedford each year saves over $7,500.00 by not mailing and printing tax forms. The City's Tax Department noted that last year's filing of income tax returns were being prepared with various types of tax software or in house at the Bedford Tax Department. Therefore, for the tax year 2014, the Tax Department will be sending you this letter instead of mailing tax forms and envelopes.

You can obtain a tax return and instructions or utilize The Online Tax Preparation program by visiting the Website at http://www.bedfordoh.gov (under the Tax Department Heading) or at Bedford City Hall, The Bedford Library, or by calling the Bedford Tax Department at 440-735-6505. Estimated tax payments to date for filing are available online at https://www.bedfordohtax.com or by calling the tax department.

As a reminder, when filing your return, you are required to attach all W-2 Forms, 1099 Forms, Schedule C's and E's and all other pertinent forms for verifying your earnings.

A copy of your Federal Extension form must be filed with the City of Bedford Income Tax Department by the April 15, 2015 deadline. This will extend the filing date, but will not extend the date for the payment of your tax liability.

For your convenience, the Tax Department will be open on Saturday, March 28th, 2015 and Saturday, April 11th, 2015 prior to the April 15th filing date, from 9:00 am until 1:00 pm.

Normal Tax Office Hours: Monday thru Friday, 8:00 am to 5:00 pm
Phone: 440-735-6505 / FAX 440-439-1307
