SECTION 1 – WAGES AND COMPENSATION
(from W-2s Only)

COLUMN 1

This column is created to help the taxpayer compute separately the tax due from earned income in Bedford vs earned income in other communities. The community you have earned your income in is stated on your W-2 form or by the physical location of your work place. If you worked in Bedford you will enter your dollar amount of total wages and Bedford withholding to the right of "Bedford" in column 1A and column 1B respectively. If you worked in a community **OTHER THAN Bedford** (such as Cleveland) you would write "Cleveland" under the municipality heading and enter your wage income earned in Cleveland to the right of Cleveland in column 1A. This is the same for all other communities. (See Sample Worksheet). If you have wage income earned in a community **OTHER THAN Bedford** and withholding is taken out for Bedford and the other community, please list under the other communities section in column 1 with the corresponding **TOTAL WAGES** posted to the right of this city in column 1A. Post Bedford withholding on column 1B and other community withholding in column 1C.

COLUMN 1A

Please enter total wages as noted on W-2 form in this column which is right of the city listed where wages were earned in Column 1.

NOTE:

The largest dollar amount in wage areas on the W-2 form is the amount taxable by the cities (deferred compensation plans and deferred retirement plans **ARE** taxed by the city).

COLUMN 1B

Please enter any amount of taxes withheld for the City of Bedford in this column. These entries should align to the right of the city where wages were earned.

COLUMN 1C
